

THE GREAT COOKIE CAUSE

Giving a little, never gave so much!

WHAT: The Great Cookie Cause

Restaurants purchase a cookie from their food service provider and place it on their children's dessert menu. It can be the cookie by itself, or a cookie sundae. Then, each time the cookie is purchased, a portion of the proceeds are donated by the restaurant to The Luca John Foundation. In return, the restaurant can advertise the partnership with The Luca John Foundation showing their community support by way of placing the "Our Company Cares" logo on their menu (shown below). As an added bonus, the restaurant will also be featured on the foundation's Web site at www.lucajohnfoundation.org under the sponsors tab.

WHO: Any Restaurant

WHERE: Nationwide

The Luca John Foundation is a national charity where restaurants in all areas can participate.

WHEN: One Year

The Luca John Foundation would partner with the restaurant for a minimum of one year.

WHY: The Luca John Foundation provides financial support to families that loose an infant child 12 months or younger or a stillbirth and can not afford the funeral expenses, provides medical grants to institutions that increase the survivability and quality of life of children diagnosed with all forms of skeletal dysplasia, as well as provides a nationwide grief network to families that loose an infant.
